

CYPRUS CITIZENSHIP

The new scheme for naturalisation by Investment, adopted in September 2016, streamlines and simplifies the criteria for obtaining Cyprus citizenship, rendering the scheme more flexible and attractive than ever.

WHO MAY APPLY

A. INVESTOR

Non-Cypriot citizen who acts on his/her own capacity or as a shareholder of a company or through investments done by his/her spouse or jointly.

B. HIGH-RANKING SENIOR MANAGER

Physical person who receives remuneration in which the tax revenue for the Republic of Cyprus amounts to at least a total of €100.000 for a period of 3 years and such tax has already been paid or prepaid.

C. INVESTOR'S PARENTS

The new scheme gives the opportunity to the investor's parents to also apply for citizenship without having to proceed to an additional investment, provided that they fulfil the prerequisites set out below.

Note:

The spouse, the underage children, as well as the financially dependent adult children¹ of the qualifying applicant also qualify automatically without any further requirements.

PREREQUISITES

A. CLEAR CRIMINAL RECORD

The applicant must be of a clear criminal record in his/her country of origin, Cyprus and the country of residence as applicable. Any persons sanctioned by the EU are not qualified to apply.

B. POSSESSION OF RESIDENCE IN THE REPUBLIC OF CYPRUS

The applicant must own a private residential property/ies in the Republic of Cyprus, the total net price of which must be at least of €500.000. It is clarified that in case the applicant(s) is/ are the investor's parent(s), the acquisition of one family residence of at least €1.000.000 is also acceptable.

C. PERMANENT CYPRUS RESIDENCY PERMIT.

The applicant must possess or apply for a permanent residence permit in Cyprus prior or simultaneously with the application for naturalisation.

Note:

¹ Financially dependent adult children: are the undergraduate and postgraduate university students up to 28 years of age that are undertaking their first undergraduate or postgraduate degree and are not studying to acquire professional title (e.g. ACA, ACCA, barrister) as well as any legally incapacitated defendants

- In the event that any of the above A and B prerequisites are circumvented or breached at any time during or after the naturalisation, then the naturalisation may be revoked.
- The granting of naturalisation is a prerogative of the Council of Ministers. The Council of Ministers has the right to refuse any application and such refusal is not subject to judicial review.

FINANCIAL CRITERIA

The applicant must meet **one** of the following 4 financial criteria:

1. Investment in Financial Assets of Cyprus Companies or Cypriot Organizations

The applicant must invest a minimum of €2 million in acquiring, or participating in organizations or companies established and operating in Cyprus. Such organizations or companies must have a. a physical presence in Cyprus b. significant activity and turnover and c. employ at least five (5) Cypriot nationals or European citizens.

2. Investment in Real Estate or Land Development and infrastructure projects

The applicant must invest at least €2 million in real estate, land development² (residential³, commercial, tourism industry) or other infrastructure projects.

3. Investment in Alternative Investment Funds or financial assets of Cypriot companies or organizations licensed by CySec

The applicant must purchase units of at least €2 million from alternative investment funds (AIFs) provided that:

- these are established in Cyprus;
 - are licensed and supervised by CySec
 - are investing in Cyprus
- d. the investments are in accordance with the naturalisation scheme or approved by the Minister of Finance.

Under this criterion the applicant may purchase bonds, bills and securities, issued with the approval of CySec, by Companies having physical presence and substantial economic activity in Cyprus.

4. Combination of any of the above criteria (1-3)

The applicant may also use a combination of the above 3 financial criteria amounting to at least €2 million.

With this criterion, the applicant may purchase bonds of the Republic of Cyprus up to € 500.000 provided that these bonds will be retained for a three-year period. The bonds must be purchased by the Ministry of Finance directly and must consist of bonds issued by the Public Debt Management Office.

² In the case of land under development, an investment plan must be submitted with the application. Acquisition of land located in Zero building zones does not constitute an investment under this scheme.

³ In case this criterion is used, then an acquisition of an additional residence of €500.000 is not required, PROVIDED that, at least one of the units acquired, constitutes of a housing unit with acquisition value of at least €500.000, which the applicant must possess for life.

- The applicant, prior the application for naturalization must have concluded the necessary investments during the 3 years preceding the submission date of the application.
- The applicant is obliged to retain the investment for at least 3 years after the date of the acquisition of the Cypriot Citizenship.
