

PUBLIC PROCUREMENT LAW LAB SERVICES

Our legal team in cooperation with external specialists, provides highly sought after public procurement support services for relevant applicants in public procurement projects.

Our team's flexibility and experience reassures long distance professional relationships. We aim in catering for individuals and private legal entities, interested in participating in all types of procurement procedures available in Cyprus and Greece.

UPCOMING CHANGES

In a highly technical field, it is important for applicants in such projects to have the necessary at site legal, strategic and administrative tailored support for a correct and complete application in the project of choice. Given the upcoming changes of national legislation in harmonization with the European Public Procurement Directives, informed and custom services become more crucial.

ADVANTAGES OF BESPOKE SUPPORT

- Certainty of compliance with the updated state monitoring schemes;
- Minimisation of legal risk for the potential applicant;
- Sidestepping of errors in the procedure;
- Pro-active methods and avoidance of time consuming conflicts;
- Sound advice on strategic management of post award claims.

OUR SERVICES

- Performance of due diligence reports ensuring conformity of foreign tenderers with national regulations prior to the bid;
- De-codification of procurement terms and conditions;
- Formation of Limited Liability Partnerships or Partnerships for Joint Ventures including partnership and/ or profit sharing agreements;
- Introduction to local partners as necessary;
- Introduction to partners with relevant expertise for borrowing purposes;
- Legal support throughout all the stages of the bidding process;
- Resolving pressing matters during the standstill period;
- Dispute resolution, injunctions procedures and legal representation at all stages before all national courts and authorities (i.e. Administrative Court, Tenders Review Authority).
